## **I. STATEMENT OF OVERALL APPROACH, POLICIES AND OBJECTIVES**

The Housing Choice Voucher Program was created by the Housing and Community Development Act of 1974 and amended by the Housing and Community Development Acts when applicable.

The Baltimore County Office of Housing applies for and receives allocations to operate this program as required by regulation, throughout the County. The Baltimore County Office of Housing will also seek to apply for additional funding and resources to expand and enhance the program, and will complete any changes to the program as required by Federal Regulation.

The Baltimore County Office of Housing is committed to administering quality rental assistance programs that effectively address the needs of County low-income, very low-income, and extremely low-income families. We will do this by providing leadership, innovative responses, and comprehensive support to our citizens. Our rental assistance programs will: provide decent, safe and affordable housing free from discrimination; promote freedom of housing choice and spatial deconcentration; provide incentives to private property owners to rent to lower income families; and, promote economic self-sufficiency.

### **A. PURPOSE OF THE PLAN**

The Housing Choice Voucher Programs are designed to achieve five major goals:

1. To assist very low income and low-income families with rent payments.
2. To enable Housing Choice Voucher participants to have a greater choice in housing types and locations.
3. To provide decent, safe, and sanitary housing for eligible participants.
4. To provide incentives to private property owners to rent to low income families by offering timely assistance payments.
5. To help facilitate a transition from housing assistance to self-sufficiency through implementation of the Family Self-Sufficiency (FSS) Program.

### **B. USE OF THE ADMINISTRATIVE PLAN**

The Baltimore County Office of Housing has full responsibility for the satisfactory completion of all contractual obligations with the Department of Housing and Urban Development (HUD) and for complying with all subsequent changes pertaining to these Programs. If such changes conflict with the Plan, HUD regulations will have precedence. The administrative burden for implementation and compliance with the Federal regulations rests with Baltimore County Office of Housing. The Plan covers both admission and continued participation policies for the Program. Policies are the same for all programs, unless otherwise noted. Changes to the Plan will be approved by the Department of Housing and Urban Development (HUD) and the Baltimore County Administrative Officer .

All issues not addressed in this document related to tenants and participants, including owners, are governed by the HUD Handbook 7420.7, Federal regulations, HUD or Baltimore County Office of Housing notices, memorandums, and guidelines.

Where the word "may" appears throughout the text, Baltimore County Office of Housing has discretion in the implementation of the policy described.

Wherever the word "must" appears throughout the text, Baltimore County Office of Housing will implement the policy as stated.

### **C. FAIR HOUSING POLICY**

It is the policy of Baltimore County Office of Housing is to comply fully with all Federal, State and local non-discrimination laws and to operate in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

Specifically, Baltimore County Office of Housing shall not on account of race, color, religion, national ethnic origin, gender, familial status, marital status, handicap or disability, sexual orientation or gender identity deny any family or individual the opportunity to apply for or receive assistance under HUD's Housing Choice Voucher Programs, within the requirements of the HUD regulations.

To further its commitment to full compliance with the Civil Rights laws, Baltimore County Office of Housing will provide Federal, State and local information to Voucher holders regarding "discrimination" and any recourse available to them should they feel that they have been a victim of discrimination. Such information will be made available during the family briefing session and all applicable Fair Housing information and Discrimination Complaint Forms will be made a part of the Voucher holder packets.

### **D. ADMINISTRATION OF PROGRAM FUNCTIONS**

#### **Outreach to Families:**

The following outreach steps will be taken by Baltimore County Office of Housing to maximize compliance with the ACC allocations:

1. Baltimore County Office of Housing will announce the program to the local newspaper, minority media, and other appropriate media channels. In addition, recognizing that there are persons who do not, or cannot read the newspapers; Baltimore County Office of Housing will distribute fact sheets to the broadcasting media.
2. An announcement will be posted at Baltimore County Office of Housing and Department of Planning.

3. **Public meetings will be with community organizations to inform residents of the Program when warranted.**

#### **Outreach to Owners:**

**Orientations for owners will be conducted as needed to make dwelling units available for leasing by eligible families. Owners of units located outside of areas with a high, low-income or minority concentration will be encouraged to participate. On a continuing basis, Baltimore County Office of Housing will welcome the participation of owners of decent, safe and sanitary housing units.**

**A list of interested landlords and their properties available for the Housing Choice Voucher Program is maintained by Baltimore County Office of Housing. This list is updated on an ongoing basis and made available to prospective tenants upon request.**

#### **E. PROJECT BASED VOUCHER**

**Baltimore County Office of Housing has Project Based Voucher contracts at various locations. The current locations are Prospect Place (12), Remington Accessible Housing LLC (100), Dunfield Townhomes (78), Lyon Homes (29), Aigburth Vale (18) and TABCO Towers (182). Details regarding the implementation of project based vouchers are outlined in an addendum attached to this plan. All components of the project based voucher program outlined in the Addendum to the Housing Choice Voucher Administrative Plan remain applicable.**

#### **F. REASONABLE ACCOMMODATION**

**It is the Baltimore County Office of Housing's policy to provide reasonable accommodation(s) for participants with disabilities where reasonable accommodation is needed to provide an equal opportunity to utilize an assisted residence. Additionally, the policy addresses reasonable accommodation(s) for a participant or applicant to have equal opportunity to use any of Baltimore County's facilities, programs and services.**

**The Baltimore County Office of Housing's Reasonable Accommodation Policy is outlined in the Addendum to the Housing Choice Voucher Administrative Plan.**

#### **G. EFFECTIVE COMMUNICATION POLICY**

**The Baltimore County Office of Housing administers its assisted housing programs in a non-discriminatory manner. Baltimore County Office of Housing employees shall furnish appropriate auxiliary aids and services to afford applicant or participants with disabilities an equal opportunity to participate in, and enjoy the benefits of Baltimore County Office of Housing's programs and services upon request or is self-evident. The provision of auxiliary aids and services shall be provided at no charge to the applicant or participant. Baltimore County Office of Housing strives to provide aides and services in a manner that protects the privacy**

and independence of the individual with a disability. All notifications, including approvals or denials of requests for effective communication reference in this policy, will be provided in an alternate format, upon request.

The Baltimore County Office of Housing's Effective Communication Policy is outlined in the Addendum to the Housing Choice Voucher Administrative Plan.

## **II. COMPLETION OF APPLICATIONS, DETERMINATION OF ELIGIBILITY AND SELECTION OF FAMILIES**

### **A. FILING OF APPLICATION**

Baltimore County Office of Housing initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

All persons who wish to apply for participation in the Housing Choice Voucher or Project Based Voucher program must file a preliminary application via the Applicant Portal at <https://baltimorecounty.myhousing.com>. The application must be made by the head of household, or his/her designee. A link to the Applicant Portal may also be obtained online at [www.baltimorecountymd.gov](http://www.baltimorecountymd.gov).

All changes to the initial application for the Housing Choice Voucher and Project Based Voucher program must be made via the Applicant Portal. This includes, but is not limited to, household composition, address, income and contact information.

### **B. DETERMINATION OF ELIGIBILITY**

If an applicant is determined to be eligible, said applicant is notified in writing. If an applicant is initially determined to be ineligible said applicant is notified in writing and advised that he/she may ask for an informal review to discuss the decision.

- 1. If at the time the applicant's name reaches the top of the waiting list, there is an outstanding debt, the applicant will be required to pay the debt in full before receiving assistance. Failure to do so will result in the applicant being removed from the waiting list, with the opportunity for an informal review. In either case, the applicant will be given the opportunity to an informal review.**
- 2. Baltimore County Office of Housing reserves the right to deny housing assistance to a family or single applicant if a family member has engaged in or been evicted from assisted housing due to drug-related or violent criminal activity in the past three years. Baltimore County Office of Housing is not required to list the family on the waitlist or to admit the family off the waitlist. A waiver, however, may be granted for an individual who clearly did not participate in or have knowledge of drug related or criminal activity or if the circumstances leading to eviction no longer exist.**

**To be eligible for assistance, an applicant must meet the following criteria:**

- **Applicant's gross family income must not exceed the Baltimore County Office of Housing income limits established for Housing Choice Vouchers.**
- **Meet the definition of a family. Family includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status. A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family:**
  - (1) A family with or without children (A child who is temporarily away from the home because of placement in foster care is considered a member of the family);**
  - (2) An elderly family;**
  - (3) A near-elderly family;**
  - (4) A disabled family;**
  - (5) A displaced family;**
  - (6) The remaining member of a tenant family; and**
  - (7) A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.**
- **Elderly family - a family whose head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.**
- **Near-elderly family - a family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62; or two or more persons, who are at least 50 years of age but below the age of 62, living together; or one or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.**
- **Disabled family - a family whose head, spouse, or sole member is a person with disabilities. It may include two or more persons with disabilities living together, or one or more persons with disabilities living with one or more live-in aides.**
- **Person with disabilities:**
  - (1) Means a person who:**
    - (i) Has a disability, as defined in 42 U.S.C. 423;**
    - (ii) Is determined, pursuant to HUD regulations, to have a physical, mental, or emotional impairment that:**
      - (A) Is expected to be of long-continued and indefinite duration;**
      - (B) Substantially impedes his or her ability to live independently, and**
      - (C) Is of such a nature that the ability to live independently could**

- be improved by more suitable housing conditions; or
    - (iii) Has a developmental disability as defined in 42 U.S.C. 6001.
  - (2) Does not exclude persons who have the disease of acquired immunodeficiency syndrome or any conditions arising from the etiologic agent or acquired immunodeficiency syndrome;
  - (3) For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence; and
  - (4) Means “individual with handicaps”, as defined in Sec. 8.3 of this title, for purposes of reasonable accommodation and program accessibility for persons with disabilities.
- **Displaced family** - a family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
- **Live-in aide** - a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who:
  - (1) Is determined to be essential to the care and well-being of the persons;
  - (2) Is not obligated for the support of the persons; and
  - (3) Would not be living in the unit except to provide the necessary supportive services.

Baltimore County Office of Housing may approve a live in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

The live in aide is a member of the household, but is not a family member and the income of the aide is not considered in income calculations [24 CFR 5.609]. Relatives may be approved as live in aides if they meet all of the criteria defining a live in aide. However, the relative who serves as a live in aide is not considered a family member and would not be considered a remaining member of a tenant family. A live-in aide cannot change their status to be considered a family member.

A family’s request for a live in aide must be in writing, and in accordance with the Baltimore County Office of Housing Reasonable Accommodation Policy. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live in aide is essential for the care and well-being of the elderly, near elderly, or disabled family member. For continued approval, the family must submit a new, written request subject to Baltimore County Office of Housing verification at each regular reexamination.

In addition, the family and live in aide will be required to submit a certification stating that the live in aide is (1) not obligated for the support of the person (s) needing the care, and (2) would not be living in the unit except to provide the

necessary supportive services. The person submitted by the family as a live-in aide will be required to submit to a criminal background screening prior to any final determination by Baltimore County Office of Housing. Baltimore County Office of Housing will not approve a particular person as a live in aide, and may withdraw such approval if the person does not pass screening, including, but not limited to [24 CFR 982.316 (b)]:

- Fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- A record of drug related criminal activity or violent criminal activity;
- Owes rent or other amounts to Baltimore County Office of Housing or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act

Within 30 days of receiving a request for a live in aide, including all required documentation related to the request, Baltimore County Office of Housing will notify the family of its decision in writing within the appropriate timeframe as indicated in the Reasonable Accommodation Policy.

All Family members who will be assisted through the Housing Choice Voucher program must be listed and verified as household members at the time of acceptance on the Program. Additions to the household will only be permitted if they meet the criteria listed above, and at the request of the head of household. Additions to the family must be as a result of birth, marriage/spousal relationship, custody, adoption, or reasonable accommodation for health care. These situations must be verified prior to addition to the family.

If the addition to the family is a minor, then he/she must be placed in the household through birth, adoption, court order or proof of legal custody.

#### **SOCIAL SECURITY NUMBERS**

According to (24 CFR 5.216) - All persons applying to the Program, except those who do not contend eligible immigration status, must submit the following information before being considered for admittance:

- Social Security Number of each applicant and each member of the applicant's household; and
- A valid SSN card issued by the SSA; or
- An original document issued by a federal or state government agency, which contains the name of the individual and the SSN of the individual, along with other identifying information of the individual.

An applicant family may receive an offer for housing, even if the family lacks the documentation necessary to verify the SSN of a family member under the age of six (6) years. The family will be allowed a ninety (90) day grace period in which to provide the appropriate documentation. One additional ninety (90) day grace period will be granted if Baltimore County Office of Housing determines that, in its discretion, the applicant's failure to comply

was due to circumstances outside the control of the applicant. If the applicant family does not produce the required documentation within the authorized time period, Baltimore County Office of Housing will terminate the tenancy in accordance with 24 CFR 5.218.

### **C. PREFERENCE IN SELECTION OF TENANTS**

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

PHAs are permitted to establish local preferences [24 CFR 982.207], and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. Any local preferences established must be consistent with the PHA plan and the Consolidated Plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

Families will be selected from the waiting list in the order of the date and time their applications are received by the Baltimore County Office of Housing, and upon their claim of local preferences. Families are required to document their preference at the time of their program eligibility determination. Families may only claim one local preference.

#### **1. Local preferences include:**

- The head of household lives in Baltimore County.
- The head of household or spouse works in Baltimore County or has received current official notification to work in Baltimore County.
- The head of household has been terminated from the County's Housing Choice Voucher Program due to insufficient program funding.
- The head of household is displaced either due to acquisition or demolition of their unit by Baltimore County Government, or in conjunction with County redevelopment efforts.

A preference will be provided for non-elderly persons with disabilities transitioning out of institutional and other segregated settings, at serious risk of institutionalization, homeless, or a risk of becoming homeless. This preference will be applicable for applicants being selected from the Housing Choice Voucher waiting list for Mainstream voucher assistance only.

All families, elderly families or families whose sole family member is elderly, displaced, or disabled (including those in protected classes, see 24 CFR 100.80) shall be given a selection priority over all "Other Single" applicants.

"Other Singles" denotes a one-person household in which the individual member is not elderly or disabled. Such applicants will be placed on the waiting list in accordance with any other preferences to which they are entitled, but they cannot be selected for assistance before any one or two person elderly, displaced, or disabled family, regardless of local preferences.

## **2. Income Requirements**

Families will be assigned in accordance with the income targeting requirements established based upon waitlist demographics. Targeting requirements will be evaluated annually and modifications will be made as an internal communication as amendment to this policy.

The policy will reflect waitlist demographics as indication of the demand required upon the program. Baltimore County Office of Housing will continue to adhere to the Federal Requirements as they are updated.

The targeting requirements will also be set with emphasis on insuring that the program can be well utilized by the recipients and that families of all income ranges can benefit from the program.

The selection preferences and priorities established in this section will be administered in a manner that is consistent with HUD's Fair Housing policy

Applicants who do not meet the criteria for any preferences as discussed in this Plan will remain on the waiting list according to the date and time of the application.

### **D. MAINTAINING THE WAITLIST**

A list of interested families will be maintained when immediate assistance is not available. This waiting list will be maintained according to the applicant preference, date and time of the family's application. All applicants must report to Baltimore County Office of Housing, via the Applicant Portal, any change in address, family composition, income, or factors affecting preference points when changes occur. The waitlist is updated daily.

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former families may make a new application with a new application date if the waiting list is open. Exceptions to this policy will be reviewed on a case by case basis and determinations made at the discretion of Baltimore County Office of Housing given the circumstances presented.

Baltimore County Office of Housing will review the waitlist at least once every twelve (12) months in order to determine the interest/need of the applicant. The review process identifies those applicants that have not made any updates or inquires within a twelve (12) month period. Before Baltimore County Office of Housing purges an applicant from the waitlist, the applicant will be notified by one of two methods:

1. Regular mail that they must indicate their ongoing interest in obtaining housing by responding to Baltimore County Office of Housing. The mailing is sent to the last known address (s) on file. If the mailing is received by Baltimore County Office of Housing indicating by the US

Postal Service that it is undeliverable then the applicant will be removed from the waitlist.

2. By email via the Applicant Portal to which the applicant must indicate their ongoing interest in obtaining housing with the appropriate response as requested.

Should an applicant not respond to the request for updated information or to selection for the program for any reason, prior to the established deadline, the applicant will be deleted from the waiting list. Reasons for non-response, resulting in deletion from the list, include (but are not limited to) negligence in returning the form in a timely manner; relocation resulting in a return of an application update request to Baltimore County Office of Housing with no forwarding address, negligence in responding to interest email via the Applicant Portal.

The waitlist will remain open for acceptance of applications until a determination is made by the Executive Director to close the waitlist and at such time a notice will be posted in the legal section of the local newspapers.

The Office of Housing has entered into a HAP Contract to subsidize units at TABCO Towers (182 units); Prospect Place (Nehemiah House) (12 units); Remington (scattered site) (100 units), Dunfield Townhomes (78 units), Lyon Homes (scattered site) (29 units) and Aigburth Vale (18 units). These are project based voucher programs and require separate waiting lists, based solely upon date and time of application and eligibility for the specified unit. Remington and Lyon Homes Project Based Vouchers will require the need for accessible housing; TABCO and Aigburth Vale Project Based Vouchers will require the Head of Household to be elderly; and Prospect Place will require single, chronically homeless males.

#### **E. SPECIAL ADMISSIONS [24 CFR 982.203]**

HUD may award funding for specifically named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a family affected by an owner's decision to opt out of a project based Section 8 contract and families affected by an owner's decision to prepay a HUD insured mortgage). In these cases, Baltimore County Office of Housing may admit families that are not on the waiting list, or without considering the family's position on the waiting list. Baltimore County must maintain records showing that such families were admitted with special program funding.

- Families affected by an owner's decision to opt-out of a project based Section 8 contract will receive a voucher to allow the family to remain in the affected unit or to relocate to an affordable unit. The voucher size (i.e., number of bedrooms) is based on the number of family members identified on the assisted lease for the affected project.
- Families affected by an owner's decision to prepay or upon final payment of a HUD insured mortgage will receive a voucher to allow the family to remain

in the affected unit or relocate to an affordable unit. The voucher size (i.e., number of bedrooms) is based on the number of family members identified on the assisted lease for the affected project.

#### **F. FAMILY UNIFICATION PROGRAM**

The Baltimore County Office of Housing entered into a Memorandum of Understanding (MOU) on July 23, 2018 with the Baltimore County Department of Social Services (BCDSS) and the Baltimore County Department of Planning (BCDP) to administer the Family Unification Program. The Baltimore County Office of Housing will accept family and youth certified by BCDSS as eligible for FUP. The Baltimore County Office of Housing, upon receipt of the BCDSS list of families and youth, must compare the names with those of families and youth already on the Baltimore County Office of Housing's Housing Choice Voucher waiting list. Any family or youth on the Baltimore County Office of Housing's waiting list that matches with BCDSS list must be assisted in order of their position on the waiting list in accordance with the Baltimore County Office of Housing's admission policies. Any family or youth certified by the BCDSS as eligible and not on the Housing Choice Voucher waiting list must be placed on the waiting list. If the Baltimore County Office of Housing has a closed Housing Choice Voucher waiting list, it must reopen the waiting list and place on the waiting list a FUP applicant family or youth who is not currently on the Baltimore County Office of Housing's Housing Choice Voucher waiting list. The Baltimore County Office of Housing may reopen the waiting list to accept a FUP applicant family or youth without opening the waiting list for other applicants.

### **III. OCCUPANCY GUIDELINES**

Baltimore County Office of Housing, in accordance with HUD guidelines, has established standards for the assignment of Vouchers (number of bedrooms) appropriate for the applicant family.

The following requirements apply when determining family unit size:

- For subsidy standards purposes, an adult is a person 18 years or older.
- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards and the Baltimore County livability code.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by Baltimore County to reside in the unit to care for a family member who is disabled) must be counted in determining the family unit size.

Unless a live-in aide resides with a family, the family unit size for any family consisting of a single person must either be a zero-or one-bedroom unit, as determined under the subsidy standards.

Baltimore County Office of Housing will assign one bedroom for each two persons in the household, except in the following circumstances.

- Head of household - this includes head of household with spouse or in a spousal relationship
- Persons of the opposite sex over the age of five (other than spouses and those in spousal relationships), and unrelated adults will be allocated separate bedrooms.
- Foster children and/or Foster adults
- Live-in attendants (approved by Baltimore County to reside in the unit to care for a family member who is disabled) must be counted in determining the family unit size. No additional bedrooms are provided for the attendant's family.

Single person families shall be considered to be a family unit size of one.

**A. OCCUPANCY STANDARDS FOR ASSIGNMENTS**

<u>VOUCHER SIZE</u>	<u>MINIMUM # PERSONS IN HOUSEHOLD</u>	<u>MAXIMUM # PERSONS IN HOUSEHOLD</u>
1 BR	1	2
2 BR	2	4
3 BR	3	6
4 BR	4	8
5-6 BR	6	10-12

**B. EXCEPTIONS FROM BASIC OCCUPANCY GUIDELINES**

Exceptions to these standards may be granted by Baltimore County Office of Housing to allow the assignment of a larger unit size than specified in the standards if warranted by the conditions affecting family members. All exceptions must be requested by the family, verified and documented by Baltimore County Office of Housing. Exceptions shall be granted at the discretion of Baltimore County Office of Housing.

The preceding categories of occupancy standards are guidelines only. A family may elect to occupy a smaller unit than these guidelines would dictate if they so choose as long as they are not determined overcrowded per the occupancy standards.

### **C. UNIT SIZE SELECTION**

**The family may select a larger dwelling than that listed on the Voucher.**

**Two criteria are considered for the Voucher Program:**

- **Payment Standards:** The Payment Standard for the Voucher size approved for the family or the unit size actually selected by the family, whichever is less, must be applied to the unit.
- **Utility Allowance:** The utility allowance used to calculate the gross rent is based on the appropriate utility allowance for the lesser of the size of dwelling unit actually leased by the family or the voucher size issued, as determined under the PHA subsidy standards.

### **D. ADDITIONAL FAMILY MEMBERS**

**Additions to the family must be as a result of birth, marriage, legal custody (or through designee from a parent or other person having custody, with written affidavit of such parent or other person), adoption, or reasonable accommodation for health care. These situations must be verified prior to the addition to the families assisted unit.**

**Family members 18 years of age or older who are removed from the Housing Choice Voucher Program will not be permitted as a future eligible household member unless requested as a reasonable accommodation in accordance with the reasonable accommodation policy.**

## **IV. INCOME VERIFICATION AND PAYMENT CALCULATIONS**

### **A. VERIFICATIONS REQUIRED TO DETERMINE ELIGIBILITY**

#### **D. IMPUTED INCOME FROM ASSETS**

**If net family assets exceed \$5,000, annual income must include the greater of:**

- The actual income from assets; or**
- An imputed income from assets:**
- Imputed income is calculated by multiplying the total net family assets by the specified interest rate. The current rate is established by HUD and will be changed as per regulatory changes.**

**Pursuant PIH 2016-05, Baltimore Office of Housing must obtain third-party verification of all family assets upon admitting a family to the Housing Choice Voucher program and then again at least every 3 years thereafter. During the intervening annual reexaminations, Baltimore County Office of Housing has the discretion under this provision to accept a family's declaration that it has total net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration. If a family submits such a declaration, then the Baltimore County Office of Housing does not need to request supporting documentation (e.g., bank statements) to verify the assets or the amount of the**

income expected to be received from those assets. The family's declaration of total assets must show each asset and the amount of income expected from that asset. The total amount of income expected from all assets must be less than or equal to \$5,000. The total amount of the expected income from assets will be the family's "final asset income," and must be entered in field 6j of Form HUD-50058.

Baltimore County Office of Housing may obtain a family's declaration of assets under \$5,000 at the family's next interim or annual reexamination.

PHAs are required to have all family members 18 years of age and older sign the family's declaration of total assets. Families will be required to submit a declaration of assets along with the consent forms that are required pursuant to 24 CFR 5.230. A family that knowingly submits false information is subject to a civil penalty, plus damages, under the False Claims Act (31 U.S.C. 3729).

Whenever a family member is added, the Baltimore County Office of Housing must obtain third-party verification of that family member's assets. At the next annual reexamination of income following the addition of that family member, the Baltimore County Office of Housing must obtain third-party verification of all family assets if the addition of that family member's assets puts the family above the \$5,000 asset threshold. If the addition of that family member's assets does not put the family above the \$5,000 asset threshold, then the Baltimore County Office of Housing is not required to obtain third-party verification of all family assets at the next annual reexamination of income following the addition of the family member; however, third-party verification of all family assets is required at least every 3 years.

Family assets include (This list is not inclusive of all Asset inclusions. Any modifications that the Office of HUD determines after the effective date of this Administrative Plan will be applied.):

In such cases the asset must be disclosed to the Baltimore County Office of Housing staff and a written affidavit from the client stating the type of asset and that they do not have access to, nor do they receive any income from the asset. Should the situation change and the client is granted access it will be incumbent upon the assisted family to disclose the change and report the asset within 10 days of the occurrence.**
- **The amount of equity in a mobile home for those families participating under the Mobile Home Pad Assistance.**

## **F. ADJUSTED INCOME**

**Gross annual income minus allowances for dependents, elderly household deduction, child care, medical and handicap expenses equals adjusted income.**

**The head, spouse, foster child or live-in attendant is never counted as dependents.**

### **2. Elderly Household Deduction**

**\$400 per family for all families in which the head or spouse is at least 62 years of age or handicapped or disabled. The \$400 is a household deduction (only one per family, even if both head and spouse are elderly).**

### **3. Child Care**

**Reasonable child care expenses for the care of children, including foster children, age 12 and younger may be deducted from annual income if all of the following are true:**

- The expense is not reimbursed by an agency or individual outside the household; and**
- The expenses incurred do not exceed the amount earned by the family member enabled to work.**

**Written verification from the person who receives the payments is required. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services. Additionally, the family must provide cancelled checks or cancelled money orders or provider receipt of payment verifying the child care costs.**

#### **4. Allowance for Handicapped/Disabled Family Members**

**Families may deduct anticipated expenses for care attendants and "auxiliary apparatus" for handicapped or disabled family members if such expenses:**

- Enable a family member (including the handicapped family member) to work;**
- Exceed three percent of Annual Income; and**
- Do not exceed the earned income of the household member(s).**

**"Auxiliary apparatus" are items such as wheelchairs, ramps, adaptations to vehicles, special equipment to enable a blind person to read or type, etc. if directly related to permitting the physically challenged person or other family member to work.**

#### **5. Medical Expenses**

**The medical expense deduction is permitted only for households in which the head or spouse is at least 62 years of age, handicapped or disabled. If the household is eligible for a medical expense deduction, the medical expenses of all family members are counted.**

- Dental expenses, eyeglasses, hearing aids, batteries.**
- Live-in or periodic medical assistance.**
- Monthly payment on accumulated medical bills.**

**Allowable Medical Expense is that portion of total medical expenses that is in excess of three percent of annual income.**

#### **6. Earned Income Disallowance**

**The earned income disallowance encourages participant self-sufficiency by rewarding certain participants who go to work or have increased earnings.**

During the first twelve (12) calendar month period beginning on the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the PHA must exclude from annual income of a qualified family an increase in income of the family member as a result of employment over prior income of that family member. After the first calendar twelve (12) month period after the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the PHA must exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to beginning of such employment. The disallowance is limited to a lifetime twenty four (24) month period for a qualifying family member; at the end of the twenty four (24) months, the disallowance ends regardless of how many months were used.

A qualified family is defined as a family residing in housing assisted under the Housing Choice Voucher Program:

- a. Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was unemployed for one or more years previous to employment;
- b. Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or
- c. Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the PHA in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-To-Work programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-provided that the total amount over a six-month period is at least \$500.

#### **Disallowance of increase in annual income**

**Initial twelve month exclusion -** During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, Baltimore County Office of Housing will exclude from annual income of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

**Second twelve month exclusion and phase-in - During the second cumulative twelve month period after the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, Baltimore County Office of Housing will exclude from annual income of a qualified family fifty (50%) percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.**

**Maximum twenty-four disallowance - The disallowance of increased income of an individual family member who is a person with disabilities as provided above is limited to a lifetime twenty-four (24) month period. This section only allows for a maximum of twelve months for the initial exclusion and a maximum of twelve months for the second twelve month exclusion. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility and income targeting).**

**G. SPECIAL CALCULATION FOR HOUSEHOLD WHO ARE ELIGIBLE FOR DISABILITY ASSISTANCE AND MEDICAL EXPENSES**

**If a family has both medical expenses and disability assistance expenses, a special calculation is required.**

**Three percent of annual income must first be deducted from the handicap assistance expenses. Any remainder is then deducted from total medical expenses.**

**H. METHODS OF VERIFYING NECESSARY INFORMATION**

- 1. Third Party (Independent) Verification: This should be used whenever possible as it provides the most reliable results. If other methods are used, the file should contain documentation to explain the reason. This documentation should be used to verify information obtained via the Enterprise Income Verification System (EIV).**

**Third party verification refers to written or oral verification from employers, public agencies, physicians, etc. If oral, the file must be documented with the date and name of Baltimore County Office of Housing staff member receiving the information.**

**Internal Revenue Service Data: This source can be used for income purposes and is especially useful when self-employment is involved. The information must be from the most recent year filed.**

2. **Review of Documents:** When documents are reviewed they must be photocopied unless prohibited by law. When photocopies cannot be made, information must be recorded, dated, and signed.

**Notarized Statement or Signed Affidavits** may be accepted from applicants or participants when all other sources have been exhausted. They should not be accepted in lieu of other possible methods.

**Verifications for income or expenses** must be updated if older than 60 days, for the purpose of certification.

**Note:** In the case of Child Support and other State provided documents, the amount eligible shall be utilized, not the amount received or historical receipts. If irrefutable evidence exists to prove that the awarded amount is not being dispersed, or no benefits at all, to the family, the average period benefits will be used.

3. **Enterprise Income Verification (EIV) Data:** This information is provided for all clients and must be reviewed and evaluated. The information provided must be verified by methods identified in parts 1 and 2 of the section. Social Security data provided by EIV does not require further verification.

## **V. INELIGIBLE DETERMINATION AT TIME OF VERIFICATION**

Families may be determined ineligible if their income exceeds the very low income standards prescribed by HUD. Families requesting to transfer their housing assistance from another jurisdiction must meet the HUD established income limits for the Baltimore County Office of Housing area.

Families may be determined ineligible when their income is such that the Total Tenant Payment is equal to or exceeds the highest rent standard for the unit size for which the family would be eligible.

Families may be determined ineligible if it is discovered that a household member submitted fraudulent information, participated in bribery or any other corrupt or criminal act. Families may be determined ineligible if it is discovered that the use of alcohol/drugs would likely result in conduct that would adversely affect the property environment.

Families may be determined ineligible due to specified criminal activity, or an action or failure to act by a household member as defined and detailed by Federal Statute. Baltimore County Office of Housing must prohibit admission to the program of an applicant for three years from the date of eviction if a household member has been evicted from federally assisted housing for drug related criminal activity. However, Baltimore County Office of Housing may admit the household if it is determined: (1) that the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation approved by

**Baltimore County Office of Housing; or (2) that the circumstances leading to the eviction no longer exist.**

**Baltimore County Office of Housing may prohibit admission for a period of five (5) years if: (1) Baltimore County Office of Housing determines that any household member is currently engaging in illegal use of a drug, and (2) Baltimore County Office of Housing determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents. and/or;**

**Baltimore County Office of Housing will prohibit admission to the program if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.**

**Baltimore County Office of Housing will prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program.**

#### **A. NOTICE OF DECISION AND INFORMAL REVIEW PROCESS**

**All ineligible applicants must be advised of such in writing of their family obligations under the program and the grounds on which Baltimore County Office of Housing may deny assistance, and of their right to informal review and given 10 days to request an informal review.**

**The informal review will provide the applicant with an opportunity to present new information or to refute existing information. The Hearing Officer may declare an applicant eligible, continue the findings of ineligibility, or reopen the case for further evaluation. The applicant shall be notified in writing of the results of the informal review.**

### **VI. BRIEFING OF FAMILIES AND ISSUANCE OF VOUCHERS**

**Every effort is made to thoroughly brief potential tenants on all Housing Choice Voucher Programs. This effort includes both individual and group briefings. At the individual briefings, the tenant can ask questions specific to his/her own circumstances. At the group briefing, the following tools may be used:**

- An audio-visual presentation;**
- An oral presentation;**
- A question and answer period; and**
- Distribution of related materials.**

**At the briefings, pertinent information is discussed on all programs. Especially stressed are all tenant responsibilities.**

**In an effort to aid families in housing selections, a listing of available units is maintained by Baltimore County Office of Housing. These properties are not pre-screened, and this is so stated to the families. When possible, additional assistance is provided by the Baltimore County Office of Housing staff for families having difficulty finding housing.**

**Prior to issuance of a Voucher all income verification must be current within (60) days.**

**Once issued, a family is given 60 days to locate suitable housing in the locale of its choice. Two additional 30-day extensions can be given upon the family's request by the Department Supervisor(s), provided that the family is able to justify the need for an extension.**

**If the Voucher expires at the end of the initial 60 day term without an extension or if it expires after any additional term requested and approved, the family may reapply for the program if they so desire, if the waiting list is open, and be placed back on the waiting list according to the date of their reapplication. Baltimore County Office of Housing may not determine the family to be ineligible for the program on the grounds that it was not able to utilize a previously issued Voucher. Any expired Vouchers should be reissued to the next eligible applicants on the waiting list as soon as possible.**

## **VII. HOUSING QUALITY STANDARDS (HQS) AND INSPECTIONS**

**The Baltimore County Office of Housing will use the HUD acceptability criteria in the program regulations and the HUD Inspection booklet (HUD 52580) for all inspections of dwelling units and incorporates the County's Livability Code (Title 5 Article 35 of the County code) as variations to acceptability criteria [24 CFR 982.401 (a) (4)] . A copy of the Livability Code is attached as Exhibit 1. Inclusion of the Livability Code does not limit housing choice or conflict with HUD's housing quality standards.**

**Effective on the implementation date approved by Baltimore County Office of Housing, all units passing the initial annual inspection during the immediate twelve months prior will be eligible for a biennial inspection 24 months thereafter. All other units not passing the initial annual inspection will be deemed ineligible for the biennial process until such unit receives a passing grade on an initial annual inspection; and will remain on an annual inspection cycle until such time.**

**All assisted families will be given the option to request an inspection if their unit is on a biennial cycle and is not scheduled for inspection during a particular year. A Request of Inspection form will be included in their Annual Recertification packet.**

**If the unit has had a Special Inspection requested by the tenant or landlord within the last 12 months, they will also be required to pass their initial annual before being incorporated into the biennial process.**

**If there is a change in tenancy with a new lease and HAP contract, the unit must pass their 1st annual inspection in order to be included in the biennial process.**

**At any time the Baltimore County Office of Housing reserves the right to revoke a unit's biennial status and reverted to the Annual Inspection process.**

**Any units selected for the biennial inspection process will revert to an annual inspection basis if they fail an initial annual inspection.**

**Baltimore County Office of Housing adheres to the acceptability criteria in the program regulations and HUD Inspection Booklet (HUD 52580) with the following exceptions:**

- **Carbon monoxide detectors in units identified in Bill No. 91-09 (attached)**
- **Smoke detectors in units identified in Bill No. 21-85 (attached)**
- **Baltimore County Office of Housing began enforcing the new lead paint regulations mandated by 24 CFR 35 on September 15, 2000. The purpose of these regulations is to ensure that housing receiving Federal assistance does not pose lead based paint hazards to young children. Complete regulations can be obtained at [hud.gov/lead](http://hud.gov/lead).**
- **Severe weather related items: Where items on the exterior are noted and repairs cannot be made due to severe weather conditions, up to a 120 day extension may be granted by the PHA, as long as any hazardous condition is relieved. For example, where paint is peeling on the exterior and it is during a severe weather-related period, the owner will be required to scrape off the peeling paint and the repainting requirement (which is not required by HUD) may be delayed up to 120 days.**
- **Utilities must be turned on for the Housing Quality Standards inspection prior to the execution of a HAP Contract.**
- **If the tenant is supplying the range or refrigerator, the working condition must be verified at the time of the move in.**

The net clear opening shall be at least 24 inches (610mm) in height and at least 20 inches (508 mm) in width. The net clear opening dimensions shall be obtained by the normal operation of the window from the inside. Where windows are provided for emergency escape and rescue, the windows shall have the bottom of the clear opening not more than 44 inches (1118mm) above the floor. (1010.4 B.O.C.A. Code 1996)
- Walls, ceilings, and floors must be finished. Exposed wall studs and floor/ceiling joists are not acceptable.
- Modifications or adaptations to a unit due to a disability must meet all applicable HQS and livability codes.

### *Quality Control*

### *Abatement*

If the annual inspection reveals that the unit is not in decent, safe and sanitary condition as required by the HQS criteria, Baltimore County Office of Housing will immediately notify in writing within 7 business days to the owner *and tenant* of the deficiencies and require that the conditions be corrected within 30 days from the date of the notification letter.

**If the owner does not take the required action to correct the deficiencies deemed as his/her responsibility within 30 days, Baltimore County Office of Housing will abate the housing assistance payments until such time as the owner corrects the deficiencies. The housing assistance payment abatement will be effective immediately following the expiration of the specified correction period (including any extension). Baltimore County Office of Housing will inspect abated units within 7 calendar days of the owner's notification that the work has been completed. This inspection will not take place if the HAP Contract has been terminated. The housing assistance payments will resume effective on the day the unit passes inspection, but Baltimore County Office of Housing will not make payments for the period the unit was not in compliance.**

**Tenants who do not correct the deficiencies deemed as his/her responsibility in a timely manner will have their assistance terminated.**

**At agency discretion, on a case-by-case basis, physical re-inspections for minor non-life threatening deficiencies may not be required. However, statements, invoices, photographs and documents must be submitted within the allowable time period in lieu of the physical inspection. If the violation(s) are not corrected after a second inspection, within the prescribed time period, the housing assistance payments contract will be terminated.**

#### ***Life Safety Deficiencies***

**If there are serious deficiencies that present an immediate danger to the health and safety of the family, Baltimore County Office of Housing will require a correction of those deficiencies within 24 hours. (The owner however, is not responsible for HQS violations caused by the family. Such violations include damage to the unit by the family or guest beyond normal wear and tear and verification of the absence of tenant paid utilities.)**

**If the owner does not take the required action to correct the deficiencies deemed as his/her responsibility within 24 hours, Baltimore County Office of Housing will abate the housing assistance payments until such time as the owner corrects the deficiencies. The housing assistance payment abatement will be effective immediately following the expiration of the specified correction period (including any extension). regulations. If units continue to fail thereafter, an owner may be terminated from the program and no additional contracts will be allowed until the owner can prove they have the ability to comply with program obligations.

#### **VIII. LEASE APPROVAL AND HOUSING ASSISTANCE PAYMENTS CONTRACTS EXECUTION**

In the execution of the Lease Agreement and Addendum to the Lease, both parties (tenant and owner) will be made aware of required and prohibited lease provisions. Both parties will receive a copy of pertinent contract documents. Upon receipt of a Request for Tenancy Approval, signed by tenant and owner, Baltimore County Office of Housing will insure that the contract rent:

- Is within the applicable Payment Standard and,

**B. SEPARATE AGREEMENTS**

**Owners and tenants may execute agreements for services, appliances (other than for range and refrigerator) and other items outside those which are provided under the lease if the agreement is in writing and approved by Baltimore County Office of Housing .**

**In order for there to be a separate agreement, the tenant must have the option of not utilizing the service, appliance or other item.**

**Baltimore County Office of Housing is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.**

**IX. ANNUAL ACTIVITIES**

**B. REVIEW OF FAMILY CIRCUMSTANCES, RENT, UTILITIES, AND HOUSING QUALITY**

- **Pursuant to PIH 2016-05, the Baltimore County Office of Housing has adopted a streamlined income determination for any family member with a fixed source of income. Note that the family member may also have non-fixed sources of income, which remain subject to third-party verification. Upon request of the family, the Baltimore County Office of Housing must perform third-party verification of all income sources. Note that this provision pertains only to the verification of sources of income; the Baltimore County Office of Housing must continue to conduct third-party verification of deductions.**

**The term “fixed-income” includes income from:**

- **Social Security payments, to include Supplemental Security Income (SSI) and Supplemental Security Disability Insurance (SSDI);**
- **Federal, state, local, and private pension plans; and**

- Other periodic payments received from annuities, insurance policies, retirement funds, disability or death benefits, and other similar types of periodic payments.

The determination will be made by applying a verified cost of living adjustment (COLA) or current rate of interest to the previously verified or adjusted income amount. The COLA or current interest rate applicable to each source of fixed income must be obtained either from a public source or from tenant-provided, third-party generated documentation. In the absence of such verification for any source of fixed income, third-party verification of income amounts must be obtained.

This provision is available for program participants only. The provision is not available for program applicants; in the initial year in which a streamlined income determination is made, the COLA must be applied to a source of income that has been verified previously.

In the initial year of employing a streamlined income determination, the Baltimore County Office of Housing must determine whether a source of income is fixed. The Baltimore County Office of Housing may do this by comparing the amount of income from the source to the amount generated during the prior year. If the amount is the same or if it has changed only as a result of a COLA or due to interest generated on a principal amount that remained otherwise constant, then the source is fixed. The Baltimore County Office of Housing may also make such a determination by requiring a family to identify as to which source(s) of income are fixed. The Baltimore County Office of Housing must document in the tenant file how it made the determination that a source of income is fixed.

For the second income determination involving a family member whose income was adjusted previously using a streamlined income determination, the adjustment would be made to the previously determined income amount (i.e., in year two, the COLA is applied to the year one income amount, as previously adjusted by a COLA). For any family member whose income is determined pursuant to a streamlined income determination, *third-party verification of all income amounts for all family members must be performed at least every three years*. This means that, for the third income determination involving a family member whose income had been adjusted twice using a streamlined income determination, the Baltimore County Office of Housing would need to obtain third-party verification of *all* income amounts. This also means that if a family member with a fixed-income source is added to the family during year two, for example, then the Baltimore County Office of Housing must obtain third-party verification of all income amounts for that family member at the next reexamination if the Baltimore County Office of Housing wishes to have all family members with fixed incomes on the same schedule with respect to streamlined annual reexaminations.

During the annual reexamination process, Baltimore County Office of Housing will accept a family's declaration that it has total net assets equal to or less than \$5,000,

without taking additional steps to verify the accuracy of the declaration. If a family submits such a declaration, then Baltimore County Office of Housing will not request supporting documentation (e.g., bank statements) to verify the assets or the amount of income expected to be received from those assets. The family's declaration of total assets must show each asset and the amount of income expected from that asset. The total amount of income expected from all assets must be less than or equal to \$5,000.

Whenever a family member is added, Baltimore County Office of Housing will obtain third-party verification of that family member's assets. At the next annual reexamination of income following the addition of that family member, Baltimore County Office of Housing will obtain third-party verification of all family assets if the addition of that family member's assets puts the family above the \$5,000 asset threshold. If the addition of that family member's assets does not put the family above the \$5,000 asset threshold, then Baltimore County Office of Housing will not obtain third-party verification of all family assets at the next annual reexamination of income following the addition of the family member; however, third-party verification of all family assets is required at least every three (3) years.

This annual reexamination of family circumstances is coordinated with the anniversary date and inspection of the premises for continued compliance with Housing Quality Standards (HQS). Annual reexaminations are started 120 days prior to the anniversary date to assure sufficient time to conclude this process.

Notice of annual reexaminations will be sent by first-class mail and will contain the date for responding by returning the Certification Packet along with required documents. An updated Certification form will be included in each packet.

If the family who has a person with disabilities requests a home visit or other form of reasonable accommodation both verification accommodations will be granted upon verification that the accommodation requested meets the need presented by the disability.

An advocate, interpreter, or other assistant may assist the family in the reexamination process. The family must execute a certification attesting to the role and assistance of any such third party.

Families will be asked to submit all required information (as described in the reexamination notice) to the Baltimore County Office of Housing Office. The required information will include a Baltimore County Office of Housing designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family's income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of receipt of the Annual Recertification Packet must be provided within ten (10) business days of the date of the request.

If the family does not provide the required documents or information within the final deadline, the family will be sent a notice of termination.

### ***Face-to-Face Interviews***

**In some situations, the Family may require a face-to-face interview with the Office of Housing.**

**Baltimore County Office of Housing will require the family to complete a Personal Declaration Form prior to all face-to-face re-examination interviews.**

**All adult family members may be required to attend a re-examination interview.**

**If the family does not appear for the recertification interview, and has not called to reschedule, Baltimore County Office of Housing will automatically reschedule a second appointment.**

**If the family fails to keep the second appointment, Baltimore County Office of Housing will send the family notice of termination and offer them an informal hearing.**

**Exceptions to these policies may be made by the supervisor if the family is able to document an emergency or life threatening situation that prevented them from canceling or attending the appointment or if requested as a reasonable accommodation for a person with a disability.**

**Any required documents or information that the family is unable to provide at the time of the interview must be provided within ten (10) business days of the interview. Exceptions may be made on a case by case basis.**

**If the family does not provide all of the required documents or information within the required time frame, the family will be sent a notice of termination.**

### **C. INTERIM ADJUSTMENTS OF RENT**

**Families must report all changes in income which are not the result of a cost of living adjustment or pay scale step increase between annual recertifications.**

**Families may report a decrease in income and other changes that would reduce the amount of tenant rent, such as an increase in allowances or deductions.**

**If the addition of a new family member is under the age of 6 years, in the event the new family member is added at a time other than during a reexamination. Per 24 CFR §5.216(e)(2)(ii)(B), such a family member is to be counted as a member of the assisted household, meaning that the family becomes entitled to the dependent deduction. A full reexamination of income will be required whenever a child under the age of 6 years is added to a family.**

**Please note that changes reported will be processed within 15 business days from the date all documentation is verified. Such changes in Family circumstances would include but not limited to:**

- Receipt or discontinuance of Public Assistance.
- Changes in family composition.
- Employment or loss of employment.
- Receipt of a deferred payment in a lump sum that represents the delayed start of a periodic payment such as Unemployment Compensation and other compensation.
- Changes with the family that will require deductions and allowances to be recalculated.

#### **C. TIMELY REPORTING STANDARDS AND VERIFICATION OF INFORMATION**

Participants must report changes within 10 days of the occurrence and must be made in writing along with the verification of the change. If the verification of the reported change is not submitted at the time of the reported change, the change will not be considered reported, and will not be processed. If the change is not reported within the required time period, or if the family fails to provide verification or required signatures, it will be considered untimely reporting.

Where feasible, third-party written verification or direct document review shall be the preferred method of verifying Participant information, including Income, value of Assets, Medical Expenses, Child Care Expenses, Family composition, age, Disability, Handicap, Student Status, and displacement status. Third-party oral verification may be used if the client file is documented according to identification of all parties, the date, and the content of the information. All information must be verified as a condition of continued assistance and the Head of Household and all other adult members of the assisted family must sign HUD-approved release forms and consent authorizing private and public agencies to furnish and release required information to Baltimore County Office of Housing. Notarized statement or signed affidavits may be accepted when all other sources have been exhausted.

Decrease in tenant rent will be *effective* the first of the month following the verification of a reported decrease.

Increases in tenant rent will be *effective* on the first of the second month following the change in family circumstances. This allows for a thirty day notification of tenant rent increase.

If Baltimore County Office of Housing determines that the tenant has misrepresented the facts, which would result in an increase in tenant rent, at the time of re-certification it shall be computed retroactively to the anniversary date. Depending on the circumstances, the tenant may, at the discretion of Baltimore County Office of Housing, be allowed to enter into a repayment agreement to repay the program for any over assistance.

Baltimore County Office of Housing may not require clients to obtain a court-order awarding legal custody of a child or children residing in one of its program units. In cases where the family has physical custody of a dependent but legal custody has not been established the client will be required to provide a written affidavit from the legal custodial guardian or parent that the child will be in the care and custody of the client. The written affidavit must be notarized by a licensed notary of the state in order to assure the signature is valid.

#### **D. CONTRACT RENT INCREASES BY OWNER**

Rent increases are determined in accordance with annual adjustment factors and other provisions of the Regulations as following:

The amount of the monthly rent payable by the Family to the Owner is determined by the provisions of the Lease between the Owner and the Family. The amount of the monthly rent under the Lease may not be increased during the first year of the term of such Lease. The Lease may provide for increase in such monthly rent after the first year of the term, if the Owner gives at least sixty days written notice to the Family and the family agrees to the increase in rent. The family portion of the rent must remain affordable and feasible.

Owners may not request rent increases prior to the expiration of the first term of lease. As of the first anniversary date of the lease, rent increases may be effective with a 60 day notice to the family and a copy to Baltimore County Office of Housing.

Landlords must first submit a written request for rent increase to Baltimore County Office of Housing, which may or may not be granted. A rent increase request letter will be forwarded to the landlord 120 days prior to the effective date of the recertification. The Landlord will have 15 calendar days from the date of the letter to return a request for a rent increase. To determine if the rent increase request is received timely the following protocol will be used:

If sent via:

- a. USPS – date postmarked
- b. Email – sent date of the mail
- c. Fax – date fax received per the fax transmittal
- d. Drop off – date of customer service receipt

If the rent increase request is received after the 15 calendar day deadline, it will not

be considered. A written response is to be forwarded to the landlord within 15 calendar days of receipt of the request indicating it was not received timely, therefore, will not be considered.

A rent reasonableness review will be completed. If the rent increase is reasonable, then the request will be approved. If the rent increase is not reasonable, then the request will be denied.

A written response will be forwarded to the landlord within 15 calendar days of receipt of the request indicating whether it is approved or denied. If approved, the landlord will notify the family of the rent increase amount with a 60 day notice to the family.

#### **E. UTILITIES**

Utilities include water, electricity, gas, heating, refrigeration, and cooking fuels, trash collection and sewage services.

Allowances for tenant furnished utilities are reviewed in connection with annual reexaminations. When revisions are made, they are implemented at the time of annual rent adjustments and TTP determinations.

An Allowance for utility consumption as a result of medical equipment use may be considered. A written request must be provided by the participant. Upon approval, the appropriate utility allowance for such equipment will be considered with the total utility consumption.

#### **F. MINIMUM RENT**

In accordance with Section 402(a) (1) and (2) of the Continuing Resolution, assisted families may pay a minimum rent as set by Baltimore County Office of Housing by internal procedure. The minimum rent may not exceed \$50.00 per month. The Baltimore County Office of Housing minimum rent is currently \$50.00, however may be changed by procedure to accommodate market conditions.

If Baltimore County Office of Housing establishes a minimum rent greater than zero, Baltimore County Office of Housing must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

## **HUD-Defined Financial Hardship**

**Financial hardship includes the following situations:**

**(1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.**

**A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.**

**For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.**

**(2) The family would be evicted because it is unable to pay the minimum rent.**

**For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.**

**(3) Family income has decreased because of changed family circumstances, including the loss of employment.**

**(4) A death has occurred in the family.**

**In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).**

**(5) The family has experienced other circumstances determined by Baltimore County Office of Housing.**

## **Implementation of Hardship Exemption**

### ***Determination of Hardship***

**Baltimore County Office of Housing defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.**

**When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.**

<b>Example: Impact of Minimum Rent Exemption</b>			
<b>Assume a minimum rent of \$35 has been established.</b>			
<b>Family Share – No Hardship</b>		<b>Family Share – With Hardship</b>	
<b>\$0</b>	<b>30% of monthly adjusted income</b>	<b>\$0</b>	<b>30% of monthly adjusted income</b>
<b>\$15</b>	<b>10% of monthly gross income</b>	<b>\$15</b>	<b>10% of monthly gross income</b>
<b>N/A</b>	<b>Welfare rent</b>	<b>N/A</b>	<b>Welfare rent</b>
<b>\$35</b>	<b>Minimum rent</b>	<b>\$35</b>	<b>Minimum rent</b>
<b>Minimum rent applies.</b>		<b>Hardship exemption granted.</b>	
<b>TTP = \$35</b>		<b>TTP = \$15</b>	

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

Baltimore County Office of Housing will make the determination of hardship within 30 calendar days.

#### *No Financial Hardship*

If Baltimore County Office of Housing determines there is no financial hardship, the housing office will reinstate the minimum rent and require the family to repay the amounts suspended within 30 calendar days of the Baltimore County Office of Housing's notice that a hardship exemption has not been granted.

#### *Temporary Hardship*

If the PHA determines that a qualifying financial hardship is temporary, Baltimore County Office of Housing must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay Baltimore County Office of Housing the amounts suspended. Baltimore County Office of Housing will offer a reasonable repayment agreement, on terms and conditions established by Baltimore County Office of Housing. Baltimore County Office of Housing also may determine that circumstances have changed and the hardship is now a long-term hardship.

#### *Long-Term Hardship*

If Baltimore County Office of Housing determines that the financial hardship is

long-term, the Baltimore County Office of Housing must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.
- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until the family receives at least \$60/month in income from another source or once again begins to receive the child support.
- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

#### **X. TERMINATIONS AND SECURITY DEPOSITS**

Baltimore County Office of Housing may deny or terminate assistance if an applicant or participant:

- Violated any of the "Family Obligations" under the Voucher Program.
- Serious violation of the Lease. Provisions under the Violence Against Women Act will be utilized should the family seek protection under the law and rule.
- Committed any fraud or misrepresentation in connection with any Federal Housing Assistance Program.
- Defaulted on a repayment agreement.
- If the participant's TTP is sufficient to pay full gross rent and six (6) months of zero assistance has elapsed since the last HAP was made.

#### **A. INFORMAL HEARINGS**

If Baltimore County Office of Housing refuses to reissue a Voucher, the tenant will be notified in writing and offered an opportunity for an informal hearing and hold the hearing, if requested, prior to the denial or termination of the assistance, except

in cases where the tenant has the ability to pay full contract rent and has completed a six month period with no assistance.

Informal hearings will also be conducted if requested by the participant regarding disputed rent calculations, the appropriate utility allowance and required unit size. The results of the hearing will be forwarded to Baltimore County Office of Housing & the participant.

Participants may review all pertinent records held by Baltimore County Office of Housing; Baltimore County Office of Housing also has the right to review all pertinent records held by the participant prior to the hearing.

#### **B. OWNER ACTIONS, FRAUD, MISREPRESENTATION, OR BREACH OF CONTRACT**

If the landlord has committed fraud, misrepresentation or other breach of the Housing Assistance Payments Contract or Voucher Contract in connection with the Housing Choice Voucher Program, Baltimore County Office of Housing will terminate the Contract and review the circumstances and family's involvement to determine if the family is eligible for re-certification to relocate to another unit with continuation of assistance. Actions such as those listed above, failure to abide by program and lease requirements, disrespectful treatment and/or harassment towards staff may be grounds for denial of program participation.

### **XI. FAMILY MOVES**

Participants who are in compliance with all regulations and who wish to move to another unit must put their request in writing prior to issuance of a new Voucher. This notice must be forwarded to the Landlord and Baltimore County Office of Housing.

Subject to the restrictions on moves, if the family has not been recertified within the last 120 days, the Baltimore County Office of Housing will issue the voucher to move after conducting the recertification. If the family does not locate a new unit, they may remain in the current unit so long as the owner permits.

The annual recertification date will be changed to coincide with the new leased-up date.

#### **A. ALLOWABLE MOVES**

- If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give Baltimore County Office of Housing a copy of the termination agreement.
- The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.314(b)(2)]. The family

must give Baltimore County Office of Housing a copy of any owner eviction notice [24 CFR 982.551(g)].

- Baltimore County Office of Housing has terminated the assisted lease for the family's unit for the owner's breach [24 CFR 982.314(b)(1)(i)].
- Baltimore County Office of Housing determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, the Baltimore County Office of Housing must issue the family a new voucher, and the family and Baltimore County Office of Housing must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, Baltimore County Office of Housing must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which Baltimore County Office of Housing gives notice to the owner. [24 CFR 982.403(a) and (c)]
- Baltimore County Office of Housing will not terminate assistance if the family, with or without prior notification to Baltimore County Office of Housing, already moved out of a unit in violation of the lease, if such move occurred to protect the health or safety of a family who is or has been the victim of domestic violence, dating violence or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remain in the dwelling unit.

If the family moves to another area, the notice must specify where the family wants to move.

Participants, who rescind their action to move with the Landlord's Agreement, may continue leasing where they are currently living, and the Housing Assistance Payment will continue to be paid to the landlord.

Participants who execute a family move are advised that issuance of a new Voucher for moving does not preclude them from being responsible for unpaid rent and for damages. Should information be received during the issuance period that the family is not compliant with obligations; any Request for Tenancy Approval will be delayed until a continued eligibility determination and related hearing are completed.

Both assisted households and the Landlord must be notified when the family must move due to a change in the family's composition that changes the subsidy for which they qualify.

## **B. INSUFFICIENT FUNDING**

**Baltimore County Office of Housing may deny a family permission to move if Baltimore County Office of Housing does not have sufficient funding for continued assistance [24 CFR 982.314(e)(1)].**

**Baltimore County Office of Housing will deny a family permission to move on grounds that the Baltimore County Office of Housing does not have sufficient funding for continued assistance if (a) Baltimore County Office of Housing can demonstrate that the move will, in fact, result in higher subsidy costs; and (b) Baltimore County Office of Housing can demonstrate that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs. This policy applies to moves within the Baltimore County Office of Housing jurisdiction as well as to moves outside it under portability.**

**Baltimore County Office of Housing, prior to denying a portability move because it does not have sufficient funding, will contact the receiving PHA and confirm that the receiving PHA will not absorb the family. If the receiving PHA will absorb the family, the CHA will approve the move under portability.**

**If Baltimore County Office of Housing denies a move under portability because it does not have sufficient funding, Baltimore County Office of Housing will promptly notify the family (assuming the family is still a participant in the Baltimore County Office of Housing's Housing Choice Voucher program) once there is sufficient funding to support the family's move.**

#### **C. FAMILY BREAK-UP**

**Upon break-up of the family, Baltimore County Office of Housing will determine which family member (s) will retain the Housing Choice Voucher assistance. The factors which will be considered in making this decision are:**

- The household member(s) remaining in the assisted unit.**
- The interest of minor children or of ill, elderly or disabled family members.**
- Whether family members were forced to leave the unit as a result of actual or threatened physical violence against those family members.**
- Court determination of which family member(s) will retain housing assistance in cases of divorce or separation.**

#### **D. EVICTIONS**

**The owner may evict in accordance with Federal Regulations or may institute court action, using the grounds for eviction available through Maryland State Law, or the owner may obtain a signed mutual termination agreement. The housing assistance payment is terminated when the lease is terminated by the owner.**

**Notice of the eviction must be given to Baltimore County Office of Housing either by the family or the owner.**

**E. ABSENCES FROM UNIT**

**Per 24 CFR 982.312, participants may be absent from the unit for brief periods of time not to exceed a period of more than 180 consecutive calendar days in any circumstance, or for any reason, without having their Housing assistance terminated. The PHA may allow absence for a lesser period of time.**

**Accordingly, Baltimore County Office of Housing participants may be absent from the unit for a consecutive period of time not to exceed three (3) weeks.**

**Prior to the absence from the unit, participants are to promptly notify the Baltimore County Office of Housing in writing, and include any information requested on the purposes of family absences. The family must supply any information or certification requested by the Baltimore County Office of Housing to verify the family is residing in the unit, or relating to family absence from the unit.**

**If the participant does not notify the Baltimore County Office of Housing prior to the absence from the unit, Housing Assistance may be terminated effective the first day of verified absence.**

**F. SECURITY DEPOSITS**

**All owners entering into a HAP contract on or after October 2, 1995 may collect a Security Deposit in accordance with CFR Section 982.313 (a). It must be placed in an account that complies with Maryland State Law. Baltimore County Office of Housing will not impose any limit on the owner Security Deposit providing that the deposit amount does not exceed the private market practices or security deposits collected for the owner's unassisted units.**

**If a family vacates its unit, the owner, subject to State and local law, may use the Security Deposit as reimbursement for any unpaid family contribution or other amounts owed under the lease.**

**Any Security Deposit provided by the Baltimore County of Housing must be returned to the Baltimore County Office of Housing within forty-five (45) days of the family move-out and within the terms of the Security Deposit Agreement.**

## **XII. REPAYMENT AGREEMENTS**

### **A. USE OF REPAYMENT AGREEMENTS**

If it is determined an applicant or participant owes money to Baltimore County Office of Housing (or another PHA) a Promissory Note in the form of a Repayment Agreement may be executed by the participant or applicant with the Baltimore County Office of Housing to permit payback of a debt over a specified period of time.

Repayment Agreements may be executed for, but are not limited to, the following circumstances:

- failure to report changes in income or family size that results in overpayment of assistance.

Participants owing money must be notified of their liability and informed that they may be required to enter into a Repayment Agreement as a condition of continued assistance.

Payment amounts should be affordable for the participant or applicant and for a specified term not to exceed 12 months unless extended by the Executive Director.

If an applicant or participant has signed a Repayment Agreement with Baltimore County Office of Housing (or any other PHA) and they breach the agreement, Baltimore County Office of Housing may deny or terminate assistance.

## **XIII. DENIAL OF A LANDLORD**

The Denial of Landlord Participation List (DLL) is a directory that is maintained by the Baltimore County Office of Housing (Office of Housing) of Single Family or Multifamily Housing. This list excludes an owner from further participation in Baltimore County's Housing Choice Voucher Program for a variety of reasons. The DLL will be composed of individuals and companies who fail to comply with specified program standards. If an owner is placed on the DLL any property in which the ownership holds an interest is also placed on the list. In some cases, the offense that leads to placement on the DLL can be remedied by the owner. The decision to deny owners on the DLL participation in the Housing Choice Voucher program is up to the discretion of the Baltimore County Office of Housing.

Any owner that is currently on the HUD Limited Denials of Participation List (LDP List) will be denied participation in the Housing Choice Voucher Program. The LDP List will take precedent over the Baltimore County Office of Housing's DLL process. More information on the LDP List can be found at [www.hud.gov/topics/limited\\_denials\\_of\\_participation](http://www.hud.gov/topics/limited_denials_of_participation).

There are two ways in which an owner is placed on the DLL: (1) contract violations that

are related to the Housing Quality Standards (HQS) and (2) contract violations that are unrelated to the HQS. Actions taken by the Baltimore County Office of Housing will follow an escalation process. This process includes provisions for a warning as well as a probation period before denial proceedings are implemented. The Integrity Unit will track owner violations, manage the DLL, and communicate with owners.

#### **A. CONTRACT VIOLATIONS RELATED TO HQS**

HQS violations that result in DLL actions are determined by the percentage of the total number of owner properties that fail HQS for owner related items within a 12 month period. The Inspections Unit will evaluate the failure rates. Owners that have 50% or more units that failed HQS will result in a first offense. The failure items will be determined in congruence with the HQS HUD-52580 Inspection checklist.

##### *Level of Severity*

**First Offense** – The owner will be placed on an 18 month probationary period. This probation will not interrupt owner participation in the Housing Choice Voucher Program. At the end of the 18 month probationary period, the failure rate will be re-evaluated. If the failure rate remains at 50% or more, it will result in a second offense.

The owner will receive written notification of their probationary status within ten business days from the determination of the first offense from the Integrity Unit. The notification will explain the offense in detail, request an appointment to counsel the owner on remediation, and warn of a one (1) year suspension if the owner continues to fail 50% or more HQS inspections.

If the failure rate has decreased below a 50% unit failure rate, the owner's participation in the Housing Choice Voucher Program may continue. The probation status will remain part of the owner's record and will factor into actions taken for any future violation(s).

**Second Offense** – The owner is placed on the DLL List and is suspended from participating in the Housing Choice Voucher Program for one (1) year. The Integrity Unit will send a letter within ten business days of the determination of the second offense that identifies the violation(s) that were committed, the effective date of the suspension, and offer the owner the opportunity to request an informal hearing. During this suspension, an owner will not be allowed to lease any additional units under the Housing Choice Voucher Program or receive Housing Assistance Payments (HAP). Any expiring HAP contracts during the 12 month period will not be renewed.

After the 12 month suspension period the owner will be allowed participate in the Housing Choice Voucher program for an 18 month probationary period. At the end of the 18 month probationary period, an evaluation will be conducted. If it results in a failure rate of 50% or more it will result in a third offense.

**Third Offense** – The owner is placed on the DLL List and is suspended from participating in the Housing Choice Voucher Program for five (5) years. The Integrity Unit will send a letter within 10 business days from the determination of the third offense identifying the

violation(s) that were committed and the effective date of the suspension. During this suspension, an owner will not be allowed to lease under the Housing Choice Voucher Program or receive HAP payments. Any expiring HAP contracts will not be renewed.

After the 5 year suspension period the owner will be allowed participate in the Housing Choice Voucher program for an 18 month probationary period. At the end of the 18 month probationary period, an evaluation will be conducted. If it results in a failure rate of 50% or more it will result in a fourth offense.

**Fourth Offense** – The owner is placed on the DLL List and denied participation in the Housing Choice Voucher Program permanently. The Integrity Unit will send a letter within ten business days from the determination of the fourth offense identifying the violation(s) that were committed and the effective date of the denial. The owner will no longer be allowed to lease under the Housing Choice Voucher Program or receive HAP payments.

#### *Reinstatement from Denial*

An owner may request reinstatement in writing. The decision to reinstate will be at the sole discretion of the Baltimore County Office of Housing. If reinstated, the owner's previous violation(s) will remain on the owner's record and factor in to any future actions.

### **B. CONTRACT VIOLATIONS UNRELATED TO HQS**

Contract violations that result in DLL actions are found in the HUD-52641 Housing Assistance Payment Contract – Parts A, B and C.

### **C. APPEALS**

When the Office of Housing notifies an owner that participation in the Housing Choice Voucher Program has been or will be suspended or denied, that owner has the option to dispute the decision by requesting an informal hearing. The owner has ten (10) business days from the date of the notification of suspension to request an informal hearing in writing. If the hearing is requested, the Integrity Unit will schedule an informal hearing and notify the owner in writing within ten (10) business days.

Informal hearings will be conducted by a Hearing Officer designated by the Office of Housing. The Officer will be someone who was not involved in the decision to suspend or deny participation. The Hearing Officer will review oral arguments and evidence and make a decision, either to uphold or overturn the Baltimore County Office of Housing's

decision. This decision will be based on a preponderance of the evidence presented at the hearing.

The Hearing Officer will notify the owner in writing of its final decision within ten (10) business days of the informal hearing. A decision that overturns the owner's suspension or denial will not interrupt participation in the Housing Choice Voucher Program. The owner's probation status will remain on record. If the decision to suspend the owner's participation is upheld, the Baltimore County Office of Housing will continue its action to end participation on the effective date of the original notification to suspend or deny.

#### **XIV. FINANCIAL MANAGEMENT/REPORTING REQUIREMENTS**

##### **A. THE HOUSING ASSISTANCE PAYMENT (HAP) REGISTER**

Baltimore County Office of Housing will keep a HAP register for each tenant with the required information as attached.

The HAP Register will be kept up-to-date with all initial payments and subsequent changes entered.

##### **B. MONITORING PROGRAM PERFORMANCE**

To ensure quality control Baltimore County Office of Housing will conduct monthly monitoring review of all Housing Choice Voucher Programs, activities, which may include the following:

1. Review of Waiting List
2. Audit of Files
3. File Count
4. Bi-Weekly Review of HAP Register
5. Review of Financial Records
6. Review of Monthly Utilization Reports
7. Sample Review of Housing Quality Standards

Baltimore County Office of Housing will closely monitor the Administrative Fee Reserve to ascertain that ongoing administrative fees are sufficient to cover ongoing administrative expenses. Proposed expenditures not in accordance with the approved budget require prior approval for a budget amendment by the Director of Health and Human Services and the Office of Budget and Finance for Baltimore County.

##### **C. HUD REGULATORY AMENDMENTS**

Revisions to existing program regulations will be automatically incorporated in this plan subsequent to its effective date. Special rules for use of available funds will be followed when HUD provides funding for a special purpose.

#### **D. PAYMENT STANDARD**

**The Baltimore County Office of Housing determines the amount of subsidy a family will receive but does not limit the rent charged by the owner.**

**The maximum subsidy calculation is done at the time a family is issued a Housing Voucher.**

**Establishing the maximum subsidy enables the family to “shop” for housing.**

**The actual Baltimore County Office of Housing subsidy can be calculated only after the family has selected a specific unit and the gross rent for the unit is known.**

**The family may pay more than 30% of monthly adjusted income for rent and utilities.**

**The standards will be reviewed annually.**

**Adjustments to the payment standards will be made when required due to economic reasons and/or due to an adjustment in the areas Fair Market Rents. In an effort to allow flexibility, the payment standards will be set in accordance with federal regulations between 90% and 110% of the current Fair Market Rent. The factors in determining the standards will largely be affected by market conditions and trends. Baltimore County Office of Housing reserves the right to establish standards by Census Tract, if applicable and warranted, to encourage de-concentration and enhanced choice.**

**The payment standard used for a family at regular reexamination will not be less than the applicable standard previously used unless the family's size or composition increases or decreases in accordance with Baltimore County Office of Housing occupancy standards.**

#### **E. EXCEPTION PAYMENT STANDARDS FOR PROVIDING REASONABLE ACCOMMODATION**

**Pursuant PIH 2016-05, the Baltimore County Office of Housing may approve a payment standard of not more than 120 percent of the FMR without HUD approval if requested as a reasonable accommodation by a family that includes a person with a disability.**

**The Baltimore County Office of Housing must maintain documentation that shows:**

- A rent reasonableness analysis was conducted in accordance with the Housing Choice Voucher program regulations at 24 CFR 982.507;**

- **The family requested lease approval for the unit and requested an exception payment standard as a reasonable accommodation; and**
- **The unit has features that meet the needs of a family member with disabilities. For example, a unit may be suitable because of its physical features or for other reasons, such as having the requisite number of bedrooms, location on an accessible transit route, or proximity to accessible employment, education, services, or recreation.**

**The family must submit a request for a reasonable accommodation in writing and/or include supporting documentation, for example from a medical professional.**

However, HUD may prohibit use of the funds for certain purposes.
- (2) The HA Board of Commissioners or other authorized officials must establish the maximum amount that may be charged against the administrative fee reserve without specific approval.

**APPLICANT (Applicant Family) - A family that has applied for admission to a program, but is not yet a participant in the program.**

#### **CONSOLIDATED ANNUAL CONTRIBUTIONS CONTRACT (Consolidated ACC)**

**(a) NATURE OF ACC**

- (1) An annual contributions contract (ACC) is a written contract between HUD and an HA. Under the ACC, HUD agrees to make payments to the HA, over a specified term, for housing assistance payments to owners and for the HA administrative fee. The ACC specifies the maximum annual payment by HUD, and the maximum payment over the ACC term. The HA agrees to administer the program in accordance with HUD regulations and requirements.
- (2) HUD's commitment to make payments for each funding increment in the HA program constitutes a separate ACC. However, commitments for all the

funding increments in an HA program are listed in one consolidated contractual document called the consolidated annual contributions contract (consolidated ACC). A single consolidated ACC covers funding for the HA voucher program.

**(b) BUDGET AUTHORITY AND CONTRACT AUTHORITY**

- (1)** Budget authority is the maximum amount that may be paid by HUD to an HA over the ACC term of a funding increment. Contract authority is the maximum annual payment for the funding increment. Budget authority for a funding increment is equal to contract authority times the number of years in the increment term. Before adding a funding increment to the consolidated ACC for an HA program, HUD reserves budget authority from amounts authorized and appropriated by the Congress for the program.
- (2)** For each funding increment, the ACC specifies the initial term over which HUD will make payments for the HA program, and the contract authority and budget authority for the funding increment. For a given HA fiscal year, the amount of HUD's maximum annual payment for the HA program equals the sum of the contract Authority for all of the funding increments under the consolidated ACC. However, this maximum amount does not include contract authority for an expired funding increment. If the term of a funding increment expires during the HA fiscal year, this maximum amount only includes the pro-rata portion of contract authority for the portion of the HA fiscal year prior to expiration. (Additional payments may be made from the ACC reserve account described in 982.154.) However, the amount to be paid must be approved by HUD, and may be less than the maximum payment.

**DISPLACED PERSON** - A person or family displaced by government action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws, defined as follows:

- (a) A definite and final order requiring demolition, closing or improvement and allowing no alternative must have been issued by the appropriate authority.
- (b) The person or family must live in the dwelling at the time of the order is entered or at the time of damage or disaster. In the event a unit becomes occupied subsequent to its having been vacated by a person or by a family entitled to preference, such new occupant shall not also be entitled to preference, even though it may become necessary to serve him with an official notice to vacate.

- (2) The HA determines whether the family is income-eligible by comparing the family's annual income (gross income) with the HUD-established very low-income limit or low-income limit for the area. The applicable income limit for issuance of a voucher when a family is selected for the program is the highest income limit (for the family unit size) for areas in the HA jurisdiction. The applicable income limit for admission to the program is the income limit for the area where the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.

# **ADDENDUM TO THE HOUSING CHOICE VOUCHER ADMINISTRATIVE PLAN**

## **PROJECT BASED VOUCHER (PBV) PROGRAM**

On October 13, 2005, HUD published final regulations for the Project-Based Voucher (PBV) program, superseding regulations at 24 CFR part 983 (see 70 FR 59892). This Addendum provides the Baltimore County Office of Housing (BCOH) policies and procedures for its PBV program in accordance with the new regulations.

BCOH's PBV program is subject to the regulations at 24 CFR part 983, which includes regulations governing policies and procedures that are not specified in this Administrative Plan.

In addition to the policies and procedures stated below, and other PBV regulations stated at 24 CFR part 983, BCOH's PBV program is subject to most of the requirements of the Housing Choice Voucher Program, as specified in this Administrative Plan and in other HUD regulations.

### **A. JURISDICTION**

The jurisdiction for BCOH's PBV program is within the confines of Baltimore County.

### **B. BALTIMORE COUNTY OFFICE OF HOUSING'S PBV COMMITMENTS AND PRIORITIES**

BCOH's PBV program is designed to ensure that PBV assistance is used to support goals that could not be equally achieved through the use of tenant-based voucher assistance. BCOH's PBV program has committed to the following priorities:

1. Expand and/or preserve the supply of affordable housing in an effort to increase the affordable housing choices of residents within the jurisdiction.
2. Support projects which further revitalize neighborhoods, promote the de-concentration of poverty and generally provide increased housing and economic opportunities.
3. Work with the community to identify and serve populations with particular housing needs, including but not limited to the provision of supportive services to promote self-sufficiency and supportive housing for families with disabilities.

### **C. PROPOSAL SUBMISSION AND SELECTION**

## **Request for Proposals Process**

**BCOH will select PBV proposals through a public Request for Proposals (RFP) process. BCOH's PBV RFP will be advertised in a manner to provide broad public notice of the opportunity to offer PBV proposals for consideration by BCOH. The public notice procedures will include publication of the general notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.**

**The public notice of the PBV RFP will specify the submission deadline. The public notice will inform owners or developers seeking project-based assistance of the availability of the full RFP document at BCOH's main offices at 6401 York Road, Drumcastle Center, Baltimore, Maryland 21212.**

**The full RFP document will provide detailed information about proposal submission and selection procedures and will be available upon request of interested parties at BCOH's main offices.**

**Property owners may submit PBV proposals in accordance with the proposal submission guidelines stated in the full RFP document. Proposals will be selected according to explicit criteria specified in the full RFP document, following the selection criteria stated below. Under no circumstances will BCOH's RFP selection criteria limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.**

## **Alternative Competitive Processes**

**In lieu of the above RFP process, HUD regulations permit BCOH to select a PBV proposal for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals, where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance, or in other circumstances as allowed by the regulations or other PBV requirements.**

**Proposals for PBV assistance which have been independently selected for housing assistance as described above may be submitted to BCOH on a rolling basis. BCOH's selection of proposals under the alternative competitive processes may be contingent upon the owner providing additional information required according to BCOH's selection requirements and HUD and BCOH requirements for PBV assistance. BCOH will inform owners of any additional requirements at the time their proposals are submitted.**

## **Selection Criteria**

**Proposals will be selected according to the following selection criteria:**

- **The housing must promote one of BCOH's priorities for its PBV program;**
- **The proposal must comply with all HUD program regulations and requirements;**
- **The property must be eligible housing;**
- **The proposal must comply with the HUD cap on PBV units per building;**
- **The housing site must meet the site selection standards detailed at 24 CFR 983.57;**

**Proposals that have not been through a State competition will be subject to the following:**

- **Proposals for new construction or rehabilitation projects must demonstrate capacity, experience, and successful outcomes in prior projects that indicate their ability to complete the construction work effectively and within the proposed schedule;**
- **Proposals for all housing must demonstrate capacity, experience, and successful outcomes in property management, particularly management of housing targeted to low income persons and families;**
- **Proposals for supportive housing must demonstrate the capacity, experience, and successful outcomes of the supportive services provider that indicate its ability to effectively provide sufficient supportive services. More detailed information about minimum supportive services guidelines is provided later in this addendum.**
- **Proposals must provide evidence of sufficient financing commitments (for construction, operations, and supportive services if applicable) to demonstrate the project's long-term viability.**

## **Public Notice and Review of BCOH Proposal Selection**

**At the conclusion of selection during the competitive process, BCOH will provide public notice of PBV proposal selections, including publication of public notice in a local newspaper of general circulation and/or other means designed and actually operated to provide broad public notice.**

**BCOH will make documentation available for public inspection regarding the basis for BCOH's selection of a PBV proposal.**

**Proposals selected via the alternate competitive process will be identified and included in the annual agency plan update, which includes publication (via public**

notice) of the process, documents and plans, and allows for public comment on the proposed selection.

#### **D. SITE SELECTION STANDARDS**

BCOH will only select proposals which demonstrate consideration of and compliance with the site selection standards at 24 CFR 983.57, as such may be amended or revised, which shall ensure that selected proposals will meet the above program goals of de-concentrating poverty, expanding housing and economic opportunities, and otherwise providing needed housing support.

#### **E. SUPPORTIVE SERVICES GUIDELINES AND REQUIREMENTS**

Pursuant to HUD regulations, project-based assistance will ordinarily be limited to 25% of the units contained within the proposed project. However, for projects providing supportive services, each unit that is occupied by families receiving qualified supportive services shall be an “excepted unit” and shall not apply towards the 25% cap

##### *Qualifying Supportive Services*

- Participation in BCOH’s FSS program
- Educational Services or Counseling
- Employment or vocational training, counseling or referrals
- Life skills training or counseling
- Credit counseling
- Personal finance training and counseling
- Healthcare prevention and/or Community Outreach
- Supportive housing for persons with developmental disabilities or mental illness
- Supportive housing for persons with legal custody of grandchildren
- Referrals to or provision of day care, after school programs or other youth services.

It is not necessary that the above services be provided by or at the project. However, to qualify for as an “excepted unit” a family must have at least one member receiving at least one qualifying supportive service. Proposals that include supportive services should identify the particular services that will be provided and the service provider(s). BCOH will evaluate proposals including supportive housing units on the basis of the specific services provided, the intensity of the services and the target population to be served. BCOH will also evaluate supportive housing proposals based on the history and track record of the proposed service providers and the need for the supportive housing at the proposed site.

## **Family Responsibility**

At the family's annual income recertification, BCOH will require written documentation from the service provider indicating the family's continued compliance with the terms of the supportive services plans. Project owners will also be expected to provide some level of monitoring of the services provided. This monitoring should be detailed in the proposal, and will be evaluated as part of the section process. At BCOH's discretion, BCOH may request additional documentation of compliance with supportive service obligations.

The unit eligible for status as an "excepted unit" so long as at the time of the occupying family's initial tenancy at least one member of the family is receiving a qualifying supportive service. If the family completes an FSS contract of participation or the supportive services requirement, the unit will continue to count as an "excepted unit" for as long as the family resides in that unit.

## **Family Failure to Comply with Supportive Service Requirements**

Failure without good cause by a family to complete or comply with its supportive service participation requirements will result in termination of the project based assistance for that unit and may result in the termination of the lease by the project owner.

## **F. WAITING LISTS**

BCOH will establish individual site-based waiting lists for each PBV project selected.

BCOH will offer to place applicants who are listed on the waiting list for tenant-based assistance on the waiting list(s) for PBV assistance.

BCOH will open and close the site-based waiting lists pursuant to the procedures outlined in the Administrative Plan.

## **G. PREFERENCES**

BCOH may establish separate preferences for each PBV project. These preferences may include those for elderly or disabled families, or preferences related to supportive housing programs. Preferences may include those outlined in the Administrative Plan.

Any preferences that would be necessary to the operation of the project, or required by a funding source must be disclosed in the proposal.

## **Supportive Housing Related Preferences**

If PBV units include special accessibility features for persons with disabilities, BCOH will first refer families who require such accessibility features to the owner. For other units that are designated to receive supportive services, BCOH may give preference to disabled families who need services offered at a particular project. Project owners may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from services provided in the project.

Only families that meet the following limits will be eligible for any supportive housing preference:

- Families (including individuals) with disabilities that significantly interfere with their ability to obtain and maintain themselves in housing
- Families that without appropriate supportive services will not be able to obtain or maintain themselves in housing
- Families for whom such services cannot be provided in a non-segregated setting.

Disabled residents will not be required to accept the particular services offered at the project.

BCOH is prohibited from granting preferences to persons with specific disabilities (see 24 CFR 982.207(b)(3)).

## **H. APPLYING FOR ADMISSION**

The process for applying for admission to the PBV program is not different than the process for applying for admission to the tenant-based program, which are provided in BCOH's Administrative Plan.

At the time of the application, BCOH will provide applicants with the opportunity to be placed on the tenant-based waiting list if open, or any open site-based waiting lists.

## **I. TENANT SELECTION**

When notified of a vacancy in a PBV unit, BCOH will refer tenants according to the following procedures:

First-come, first-served among applicants on the specific PBV waiting list.

For PBV waiting lists that include preferences, BCOH will select applicants from the waiting list on a first-come, first-based basis who:

- Qualified for preference at the time of application; and
- Continue to qualify for preference at the time of admission.

## **J. TENANT SCREENING**

**BCOH's procedures for tenant screening for the PBV program are not different than procedures for screening tenant-based applicants, which are provided in BCOH's Administrative Plan.**

**BCOH's policy for providing information to owners about families referred to PBV units is not different than BCOH's policies for tenant-based applicants, which are provided in BCOH's Administrative Plan.**

## **K. PROCEDURES FOR FAMILIES OCCUPYING A UNIT OF THE WRONG SIZE OR AN ACCESSIBLE UNIT WHOSE ACCESSIBILITY FEATURES ARE NOT REQUIRED BY THE FAMILY**

**If a family is determined by BCOH to occupy a wrong-sized unit, or a unit with accessibility features that the family does not require (and such unit is needed by a family that requires the accessibility features) then BCOH must promptly notify the family and the project owner of this determination and must offer continued assistance in another appropriately sized or accessible unit.**

**Continued assistance after unit, which may include, but is not limited to the following options:**

- **PBV assistance in an appropriate-sized unit (in the same building or in another building);**
- **Other project-based housing assistance (including occupancy of a public housing unit)**
- **Tenant-based rental assistance under the voucher program; or**
- **Other comparable public or private tenant-based assistance (e.g., under the HOME program).**

**For families who have been notified that they occupy a wrong-size unit, and offered continued assistance:**

- **If the PHA offers the families the opportunity receive tenant-based rental assistance under the voucher program, the PHA must terminate the HAP payments for a wrong-sized unit at expiration of the term of the family's voucher (including any extensions granted by the PHA).**
- **If the PHA offers the family the opportunity for another form of continued housing assistance (as provided above), and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the HAP payments**

for the wrong-sized unit, at the expiration of a reasonable period as determined by the PHA.

#### **L. RIGHT TO MOVE**

A family residing in a PBV unit may terminate the assisted lease any time after the first year of occupancy and request comparable tenant-based assistance from the BCOH.

Should a family terminate its PBV lease and request alternate assistance, the BCOH shall offer the family the opportunity for continued tenant-based rental assistance, or if such assistance is not immediately available upon termination of the lease, the BCOH will give the family priority to receive tenant-based rental assistance at the next available opportunity for such tenant-based rental assistance.

If the family terminates the assisted lease before the end of the first year of occupancy, the family will not be entitled to tenant-based assistance or priority for such assistance under this section. However, the family may reapply for tenant-based assistance or other project based assistance as otherwise provided in this Administrative Plan.

#### **M. REDETERMINATION OF RENT TO OWNER**

The amount of rent to owner must not exceed the lowest of the following, with an exception for certain tax credit units:

1. An amount determined by BCOH, not to exceed 110 percent of the applicable fair market rent (for any exception payment standard approved by the Secretary) for the unit bedroom size minus any utility allowance;
2. The reasonable rent; or
3. The rent requested by the owner.

The owner may request an increase of the rent at the annual anniversary of the HAP contract by a 90-day written notice to BCOH.

Addendum 04/01/2015

## **REASONABLE ACCOMMODATIONS GUIDELINES AND POLICY**

The following Reasonable Accommodations Policy shall be in effect for assessing requests for reasonable accommodations of housing choice voucher participants, project based voucher participants, and applicants with disabilities<sup>1</sup> in programs administered by Baltimore County Office of Housing (BCOH). The Policy is not intended to be an exhaustive compilation of rules governing assessment by BCOH of requests for reasonable accommodations. If any conflicts exist or arise between this Policy and regulations issued by the U. S. Department of Housing and Urban Development, or future legal requirements, BCOH shall comply with its legal obligations notwithstanding the Policy.

### **I. General Principles**

- A. BCOH will assume as an initial matter that the individual requesting a reasonable accommodation is an expert with the respect to his/her disability and the accommodation that may be appropriate in relation to it. BCOH will also assume as an initial matter that the information the person provides regarding his/her needs is accurate and the method proposed for accommodating those needs is the most appropriate one to pursue. BCOH may seek from the person documentation and/or other verification of the effect of the disability on the person and the method(s) proposed to accommodate it. BCOH may offer alternative methods for providing the requested accommodation, however whenever possible, consideration shall be given to the individual's request.**
- B. Procedures for evaluating requests for reasonable accommodations and responding to those requests should take place in the context of a cooperative relationship between BCOH and the individual.**
- C. Reasonable accommodations shall be focused on the individuals and designed to address each person's situation. Any meetings that must be held concerning an individual's request for a reasonable accommodation shall be held in a location accessible to the individual.**
- D. In some cases, non-disabled persons may (incorrectly) perceive reasonable accommodations as conferring a special advantage on persons with disabilities. However, BCOH will not base its decisions on how those decisions will be perceived, but rather on whether the requested accommodation will be effective in removing barriers that**

---

<sup>1</sup> For purposes of his policy, the preferred term "disability" includes within its scope the term "handicap".

interfere with the ability of the individual with a disability to access, use, and equally enjoy the benefits of the housing program.

## **II. Notice and Posting**

- A. A copy of this Reasonable Accommodation Policy shall be posted and available at BCOH's main business offices.**
- B. This Policy shall be posted on and available for download on BCOH's website.**
- C. BCOH shall include in prominent type and location on all notices and written communications to voucher participants and applicants the following: "If you are a person with a disability you may ask for an accommodation based on your disability. To have assistance in understanding or completing BCOH forms, or to use BCOH service or housing. Contact: Reasonable Accommodation Coordinator at 410-887-3435 or [mbmosley@baltimorecountymd.gov](mailto:mbmosley@baltimorecountymd.gov).**

## **III. Procedures**

- A. BCOH has developed and implemented procedures through which individuals may request a reasonable accommodation, as described herein. The process for making such requests is designed to be accessible to all persons. All communications that are a part of the process should be in plain language that the individual applicant can understand, in a format that is appropriate to meet the needs of the person with disabilities. Where appropriate, BCOH shall follow its Effective Communication Policy.**
- B. BCOH employees may ask individuals requesting a reasonable accommodation to complete a Reasonable Accommodation Request Form (attached as Form 1) and when needed a Verification Form (attached as Form 2). Copies of the Reasonable Accommodation Request Form and Verification Form shall be kept at BCOH's main business offices. BCOH shall also accept verbal and other written requests for accommodations.**
- C. All requests received by BCOH, either written or orally, shall be entered into BCOH's centralized database for tracking reasonable accommodations requests promptly within receipt of the request. The Reasonable Accommodation Coordinator, or designees, shall be responsible for ensuring that all reasonable accommodation requests**

received are entered into BCOH's centralized database and are responded to timely as set forth in this Policy.

- D. BCOH shall provide a receipt to every individual who makes a reasonable accommodation request. Each receipt shall include the time and date the request was made.**
- E. Individuals may submit reasonable accommodations requests to rental specialists.**
- F. Requesting for additional documentation to verify a disability shall be made in writing as soon as possible as and no later than 10 (ten) days from the request being received. BCOH may ask individuals to provide verification information on a Verification Form (attached as Form 2). BCOH may verify an individual's disability only to the extent necessary to insure that the individual has a need for the request accommodation. For example, BCOH will not require that a resident using a wheelchair requesting a wheel-chair accessible unit, produce verification of the applicant's disability or need for a wheelchair accessible unit. Conversely, BCOH may request documentation to verify the same resident's disability related need for an emotional support animal.**
- G. Decisions on requests for reasonable accommodation shall be made within 10 (ten) days after the date on which the request is complete. A request shall be considered complete when BCOH receives the request and any other information reasonably required by BCOH to evaluate the request, such as verification of any aspects of the request for an accommodation, the individual supply additional information that is reasonably necessary for the BCOH to make a decision on the individuals request information, or otherwise respond to the BCOH's request within a reasonable time period.**
- H. Any employees of BCOH may approve a reasonable accommodation request, however, the request must still be documented in accordance with this policy. The Reasonable Accommodation Coordinator is responsible for receiving, reviewing recommending approvals as well as ensuring that approved accommodation is provided. Only the Reasonable Accommodations Coordinator or Executive Director of BCOH may deny a reasonable accommodation request. If BCOH believes that the request is not reasonable, BCOH must engage in an interactive process with the individual to determine if there are alternative suitable accommodations that can be offered.**

- I. Any denial of a request for reasonable accommodations shall explain to the individual in writing the basis for the decision and the reason(s) why the request is being denied. The individual requesting the accommodation shall also be informed of his or her right to request a grievance in the decision.**
- J. Any approval of request for reasonable accommodation shall be communicated in writing. It shall describe the accommodation that will be provided and shall indicate the date for implementation, which shall be as soon as practicable and except as explained in the approval notice no later than 10 days from the date of decision. The individual requesting the accommodation shall also be informed that if he or she believes the accommodation approved will not meet his or her needs or will take too long to provide, a grievance may be requested in accordance with BCOH's grievance policies as set forth in its Administrative Plan.**
- K. The written decision will be forwarded to the Reasonable Accommodation Coordinator, who will implement the final decision as soon as practicable and as general rule no later than 30 days from receipt of the written decisions, unless he or she advised the applicant in writing of the reason for the delay and provides an estimated implementation date and right to request a grievance.**

#### **IV. Assessment of Requesting**

- A. In determining whether or not to grant a reasonable accommodation, BCOH shall consider the following factors:**
  - 1. The individual is a qualified "individual with disability". A person is an "individual with a disability" if he or she has, or has a record of having, or is regarded as having, physical or mental impairment which sustainably limits one or more of his or her major life activities. However, the current, illegal use of or addiction to a controlled substance along not qualify as disability.**
  - 2. The requested accommodation may be necessary to provide an equal opportunity to use and enjoy BCOH's programs or service.**
  - 3. Whether the requested accommodation is "reasonable". A request for an accommodation shall be considered to be "reasonable" as long as it does not create an undue financial hardship and administrative burden or constitute a fundamental alteration in a housing program.**

- a. The determination of whether an accommodation constitutes an undue financial and administrative burden shall be made on a case by case basis.
  - b. If granting the requested accommodation would constitute an undue financial and administrative burden, BCOH shall propose any other action that will not result in or require an alternation or burden.
  - c. If granting the requested accommodation would constitute a fundamental alteration in the housing program, BCOH may deny the request. For example, BCOH may refuse to walk a resident's service dog as doing so is a fundamental alteration of its programs and services, whereas permitting the resident to have service dog would not be a fundamental alteration.
  - d. BCOH should consider providing the accommodation requested by the individual as the accommodation most likely to address the individual's need.
